The Elden Ring Game is a game that was created for those who long to slay monsters. It is a fantasy action RPG game that allows you to create and control characters while interacting with various NPCs at the same time. **STORY** In the world of "Rift" an uprising against the "Eden" broke out. However, the "Eden" that was harmonious, and protected the three races of mankind from the destruction of the dark continent, which was always a temptation of the monsters. Meanwhile, the "Rift", formed as a result of a conflict between these three races, is rising. In "Rift", you play as a new lord of the "Elden" who began the adventure of slaying monsters. The story of "Rift" is a drama through which the diverse thoughts of the characters, who became companions as the adventure progressed, cross paths. **FEATURES** ● "Rift" is a fantasy action RPG game. You can enter a vast world that is open and rich with variety, as well as explore the world with your self and fight the various monsters that inhabit it. ● There are various enemies in the various classes that you can fight and we offer various attacks, equipment and skills to battle. ● There are various items including weapons, armor and potions that can be combined to build your character. You can freely change the various combinations, thereby creating a character that reflects your personality. ● In addition to the generic fantasy world, the game offers a number of features with which to enjoy the game. ● There are a number of countries in the game that vary from continent to continent, and as you traverse the map, the tension rises. ● There is a large number of NPCs who have their own stories. You can talk with them and find out their stories as the story progresses. ● **Multiplayer Battles:** Battles can be triggered with other players to take place in real time, and can also be triggered as separate asynchronous online battles. **How to Play** In Rift, you create your character's appearance, abilities, equipment and weapons. You can freely change these when you want. You can fight enemies in Rift by directly attacking them, or you can lead your party to attack. There are three classes in Rift: Warrior, Mage, and Thief. If you
