The first season of the web series will include eight episodes, and you'll be able to watch the entire series for free. Blood Money. The supernatural thriller series features the recurring characters of Suryakant, his daughter Rashmika and their friend, a minor f\*ckboy, who are really vampires but strangely love to drink blood all the time. The producers of Blood Money, the web series, have revealed that a second season is currently being planned for the show, and they have even given a tentative title for the new season. It is titled Maanveer, meaning Hero. The new season will feature the characters from the first season and will show how they have grown from being good boys to full-fledged vampires. The new season will not be a web series because, as a character says, 'Vampires do not play cricket. Webseries Blood Money Season 2. The second season of Blood Money is planned to be launched in mid-2019. The producers of the show are planning on finalising the script and producing the entire season. The new season will be a web series, and the show will be available online. The characters will grow from good boys to full-fledged vampires. The producers of the show have even given a tentative title for the new season. It is titled. The new season will not be a web series because, as a character says, 'Vampires do not play cricket.
